7. To assist the DDA in promoting and defending DDA sponsored new initiatives at the 11 February Deputy Director's ranking exercise, in-depth briefing papers are being prepared on two OC initiatives--Communications Command and Control Intelligence and Detection Resources.

8. The FY-85/86 requirements received during the FY-87 to FY-91 request for New Communications Services were forwarded to the OC Divisions. Those FY-85/86 requirements which we or the Divisions do not recognize will be brought to the attention of the respective Directorate. We will ask the Directorate to levy the need as a formal requirement.

12. New Building Telephone System - Contract Team members are deeply engaged in reviewing contractor submissions for a portion of the new building communications program. This effort will continue for some time until the contract is awarded in early March.

13. Foreign Ownership Control and Influence (FOCI) - LOG met with the FOCI panel on 29 January regarding modems specifically and all OC equipment in general. We have agreed to put together a comprehensive listing of all FOCI-related equipments for OC so that a waiver can be granted for a period of 18 to 24 months until new sources are found or old ones justified.
